

BAC October 2018 Benefits Insight Newsletter

Hi Bryan,

I'd like to welcome you to the first edition of the monthly **BAC Benefits Insight** newsletter.

Each month you will receive articles, videos and other valuable pieces of content to assist you and your employees with retirement, investing, group benefits, compliance, HR, employee communication and administration.

We're also extremely excited to announce the launch of the NEW BAC website. <https://www.baclink.com>.

If you have participants in Flex or Retirement you still log in to the same portals at the top right of the site.

Mobile access has also been improved dramatically so your employees can access their accounts from their iPhones or tablets.

Enjoy the articles below and we look forward to hearing your questions and feedback.

Thank you,

Tim Hill
Founder & Managing Principal
Benefit Administration Company
